

David Tubb, General Manager - Development, PacLib Industrial

“PacLib Industrial and CSR undertook a joint venture to build 1.7 kilometres of 4 lane wide road way within the Erskine Park industrial precinct as a works in kind arrangement for Penrith City Council. Burton Contractors won the Tender on price and innovation, meeting RTA Registration R10 and satisfying Council requirements. Burton’s managed the process extremely well, meeting time and quality requirements.

On completion the site was left clean and the job was under budget. PacLib Industrial were extremely pleased with Burton’s work.”
