PREQUALIFICATION OF CONTRACTORS

Dear Sir

I refer to your application for an upgrade of roadworks and bridgeworks prequalification under the National Prequalification System.

I would like to advise that your company has been prequalified as follows:

R4 (Roadworks)

B2 (Bridgeworks)

F100 (\$100M)

An RMS Certificate of Prequalification is attached.

RMS is not prepared to grant the requested upgrade to R5 at this stage. Burton is not considered to have demonstrated the level of experience in complex and larger road construction projects across the range of criteria for R5 prequalification listed in the National Prequalification System Guidelines.

Yours faithfully
